

Puget Sound Beekeepers Association
2013 Field Day with Randy Oliver
May 18th, 2013

PSBA's 2013 Field Day will feature both a morning indoor session and an afternoon outdoor session in PSBA's apiary; both sessions will feature Randy Oliver (www.scientificbeekeeping.com) as well as other speakers and learning opportunities*.

Morning Session:

Presentation by Randy Oliver followed by a Q & A. Lunch will be provided.

Afternoon Session:

Outdoors in PSBA's apiary**. Attendees will break into small groups which will rotate through a variety of learning activities (planning is still underway, more details to come). Hive inspection alongside Randy Oliver will be included.

**** Please bring your own protective gear; PSBA has limited sets of veils, suits, and gloves.** PSBA does not have child-sized protective gear, so please plan accordingly.
